The Camas high school band, under the direction of Lynn Sherman, has shown much improvement in the past year.

At the Southwestern Washington music meet, held at Olympia, the Camas band won third place in Class B bands.

Camas will again be represented in the annual Portland Rose Festival parade by a float and the band. Last year the band won a cup for first place for out-of-town contestants. The band also served at the coronation ceremony of our basketball queen.

The uniforms of the band members add much to their appearance. They have red capes, with red and black caps. With these, the boys wear white trousers and the girls white skirts and red and black sweaters.

We can well be proud of our band and we know that it will continue to do as good work in the future as it has in the past.
